Celebrating diversity further creates a supportive and safe environment for students and sends a clear message that everyone is accepted in our school community, regardless of their gender, ethnicity or sexual orientation.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at the College. We will take appropriate measures, consistent with our Student Wellbeing and Engagement and Bullying Prevention policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

We encourage students and families to speak to a staff member to discuss their concerns with discrimination, bullying or harassment. Parents or carers who develop concerns that their child at the College should contact their student’s Sub School Leader or Assistant Principal. If you are unsure of who this may be, contact the College on 03 5021 2911. All concerns will be appropriately investigated in a timely and sensitive manner. For further information please refer to the College’s *Bullying Prevention Policy*.

A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways.
