

ENROLMENT AT MILDURA SENIOR COLLEGE

FOR STUDENTS FROM PARTNERSHIP COLLEGES

Mildura Senior College has six partnership schools, Chaffey Secondary College, Henderson College, Irymple Secondary College, Merbein P-10 College, Mildura Christian College and Trinity Lutheran College. Students from these schools will have their enrolment coordinated by their Year 10 schools.

COUNSELLING AND SUBJECT SELECTION

This process begins in the 7-10 colleges from Monday 5th August 2019.

VCAL Expression of Interest Forms are due at Mildura Senior College by Friday 9th August 2019. This is a requirement for a student to be considered for VCAL enrolment.

Preliminary choices are due at Mildura Senior College by Friday 30th August 2019.

Mildura Senior College staff will assist in course counselling.

FOR STUDENTS FROM NON-PARTNERSHIP COLLEGES

Students from non-partnership schools are required to follow the process below.

How to enrol:

Call the college on 03 50 212 911 to make an appointment for an enrolment interview or register at Open Day. You will then need to collect an enrolment application pack from the general office. Please complete this before your interview.

What to Bring to your interview:

- Most recent reports from previous school showing academic achievement, behaviour and attendance records.
- Any certificates (e.g. from TAFE) that the student has completed.
- Formal identification such as Birth Certificate or Learners Permit etc.
- Non Australian Residents must bring their VISA and Passport.
- USI number – obtain from usi.gov.au – see page 32.

NOTE: Enrolment requests will not be processed until such documentation is provided. The college may also request information from your previous school.

When to enrol:

The College accepts the majority of its enrolments from August to November for the following year.

Requests for mid-year enrolment will take place in early June.

FOR ALL STUDENTS

- The College makes every effort to ensure each student receives the subjects they request. However, factors such as timetable blocks, class sizes and teacher and room availability can restrict subject availability.
- It is preferred that students do not enrol after week three of a semester. However, they could do so to prepare for the following semester.
- Students applying to select a Unit 3 and 4 (Year 12) subject without having completed a Unit 1 and 2 will complete and submit the 'Accelerated Studies Expression of Interest Form' available from their home school.

ACCELERATED STUDIES - YEAR 10 STUDENTS

Mildura Senior College offers the opportunity for highly capable Year 10 students to undertake a Year 11 subject of interest as a Year 10 student.

Students must have an outstanding work ethic, and be currently excelling in their Year 9 subjects. The subject chosen should be an extension to what the student is currently undertaking in Year 10 (where possible).

- Students must have been recommended and approved by their home school, as this arrangement can be quite disruptive to their Year 10 program. Students need to complete the 'Accelerated Studies Expression of Interest Form' available from our partner schools. All applications must be made through the current partnership school.

Students will have the opportunity to provide preferences and will only be able to undertake one subject if spaces are available in the course. Students will be notified of this in December via their home school.
