

AUTOMOTIVE

AUR20716 Certificate II in Automotive Vocational Preparation

Program Details

VET Automotive is a pre-employment program designed to introduce students to automotive theory and culture.

It provides students with the knowledge and skills to assist them in gaining employment in the automotive repair, service and retail industry.

Successful completion of this course will provide students with direct learning outcome credits into the first year of an automotive mechanical apprenticeship.

Course Length: 2 years

Program Content: 15 Units of Competency

Nominal Hours: 375 minimum

Delivery Mode: Face to Face, classroom based

Study Pathways

- ⇒ Certificate III in Automotive Light Vehicle Mechanical Technology
- ⇒ Certificate III in Motorcycle Mechanical Technology
- ⇒ Certificate III in Automotive Heavy Vehicle Mechanical Technology
- ⇒ Certificate II in Automotive Electrical Technology

Future Career Opportunities

- ⇒ Automotive Mechanic
- ⇒ Diesel Mechanic
- ⇒ Auto Electrician
- ⇒ Spare Parts Interpreter
- ⇒ Panel Beater or Spray Painter

Complementary Subjects

The subjects listed below are recommendations only:

- Maths
- Business Management
- Product Design & Technology Metals
- VET Integrated Technology
- VET Engineering
- VET Retail

Program Content

Year 1	Unit 1 & 2
AURAEA002	Follow environmental and sustainability best practice
AURFA003	Communicate effectively
AURFA004	Resolve routine problems
AURASA002	Follow safe working practices
AURETR003	Identify auto electrical systems & components
AURLTA001	Identify auto mechanical systems & components
AURTTK002	Use & maintain tools and equipment
AURETR006	Solder electrical wiring and circuits
AURTTJ003	Remove and replace wheel & tyre assemblies
Year 2	Unit 3 & 4
AURETK003	Operate electrical test equipment
AURETR015	Inspect, test & service batteries
AURTTB007	Remove and replace brake systems
AURTTA027	Carry out basic vehicle servicing
AURTTE007	Dis.& assemble single cylinder engines
AURTTE008	Dis.& assemble multi cylinder engines

Contribution – VCE & ATAR

Students will receive two VCE VET units at 1 – 2 level, and one VCE VET 3 – 4 sequence.

Students completing an unscored VCE VET program who receive a Units 3 and 4 sequence will be eligible for an increment towards their ATAR. This will be calculated using 10% of the lowest study score of the primary four.

Contribution – VCAL

Contribution to VCAL is determined by the number of units of competence successfully completed. When a student has been assessed as competent in units totalling 90 nominal hours, this will contribute one VCAL unit towards satisfactory completion of VCAL. Students can receive up to 4 VCAL credits for VET Automotive. This program will satisfy learning outcomes for the Industry Specific Skills and Work Related Skills strands of VCAL.

Structured Workplace Learning

Highly Recommended.

SWL Recognition is available to VCAL and VCE students who are undertaking a VCE VET program.

Students who complete 10 days full-time equivalent work placement in their VCE VET industry area and the three sections of the Workplace Learning Record may be eligible for one VCE credit at Units 1 & 2 level or one VCAL general credit.

Training Organisation Information

This is a third party arrangement with Sunraysia Institute of TAFE (4693).

Mildura Senior College is responsible for the Training and Assessment of this program.

As the RTO, Sunraysia Institute of TAFE is responsible for issuing qualifications and statements of attainment associated with this course. For more information on Sunraysia Institute of TAFE go to www.sunitafe.edu.au
