

Dear Students and Families of Mildura Senior College,

Confirmation of VCE Examination Schedule for 2020

The Premier and the Minister for Education have announced the timeline for the 2020 VCE examinations. This is great news for senior secondary Students, their Families and Teachers.

The schedule gives sufficient time for teachers and students to complete adjusted VCE Unit 4 learning and school-based assessments and prepare for VCE examinations.

Written exams will be conducted between 9 November and 2 December 2020, so that ATAR scores can be calculated and VCE and VCAL students will receive their results before the end of 2020.

The VCAA has worked closely with the Victorian Tertiary Admissions Centre (VTAC) on the 2020 exam schedule to deliver results before the end of 2020. This means that university offers for 2021 can be made to Victorian students in alignment with their peers around Australia.

The date for the General Achievement Test has also now been confirmed as Wednesday 9 September 2020. Specific information on the VCE exam timetable will be provided before the start of Term 3.

The VCE exam schedule will be before the end of this term. We will provide it to students as soon as we receive it.

Today is the last day of Remote Learning. I am so proud of our Students, Teachers and Families for meeting the challenges of this time. We will continue to support the wellbeing and learning needs of our students as we transition back to school.

We know that some students will experience anxiety and worry about returning to school. Our Wellbeing Team and our Teachers are ready to support students and will be very mindful of the challenges Students may face to adjust. We are here to help and support.

I am so proud to be Principal of this amazing school, which is amazing because of the staff and students that fill it and the families that support it.

This period has had its challenges, at times really hard and some challenges still lay ahead but you made it through, you did it together, there is nothing you can't do!!

With all my gratitude and thanks,
