

VICTORIAN SCHOOL OF LANGUAGES (VSL) AND VCE PLUS

Mildura Senior College Enhancement and Extension Studies 2021

Mildura Senior College offers academically able students in Years 11 and 12 the opportunity to enhance their learning and studies through the following partnerships:

Victorian School of Languages:

Students have the opportunity to study an additional language through the VSL. Course delivery is by "correspondence" and students are linked to a VSL tutor. Students will, in most cases also have an allocated class and support teacher at Mildura Senior College. Studying an additional language usually attracts a bonus for the student's ATAR score. Please note that enrolling in VSL may involve the additional expense of travel to Melbourne. Students undertaking a VCE level through the VSL can have this subject built into their timetable.

VCE PLUS:

La Trobe University's VCE Plus program is an opportunity for high achieving VCE students to complete first year University subjects while studying Year 12. VCE Plus subjects count as a Unit 3 and 4 sequence in VCE and contribute to a student's ATAR through a 10% increment. As a VCE Plus student, you will be able to experience life at University, access La Trobe's services and resources, receive an early offer, save on University fees and add value to your resume.

At La Trobe University's Mildura Campus VCE Plus is offered in the following subjects:

- Finance – Accounting and Finance for Business (Semester 1) and Fundamentals of Finance (Semester 2)
- Business – Business Foundations (Semester 1) and Foundations of Management (Semester 2)
- Human Biosciences – Introduction to Human Biosciences A (Semester 1) and Introduction to Human Biosciences B (Semester 2)
- Sociology – Introduction to Sociology (Semester 1) and From Prisons to Detention Centres: Interrogating Containment (Semester 2)

To apply, students need to fill out an application form and School and Parent/Guardian endorsement form. Semester Two Reports are required to complete enrolment.

You can access the applications forms and read more about VCE Plus by visiting <http://www.latrobe.edu.au/study/vce-plus>
