Contribution – VCE & ATAR

Students will receive a VCE VET 3 – 4 sequence.

VET Hospitality and VET Kitchen Operations students wishing to receive an ATAR contribution for the Units 3 and 4 sequence of a VCE VET program must undertake scored assessment for the purpose of achieving a study score.

This study score can contribute directly to the ATAR, either as one of the student's best four studies (primary four) or as a fifth or sixth study. Where a student elects not to receive a study score, no contribution to the ATAR will be available.

VET Patisserie is an unscored VCE VET program and successful students will be eligible for an increment towards their ATAR. This will be calculated using 10% of the lowest primary four study scores.

Contribution – VCAL

Contribution to VCAL is determined by the number of units of competence successfully completed.

When a student has been assessed as competent in units totalling 90 nominal hours, this will contribute one VCAL unit towards satisfactory completion of VCAL. Students can receive up to 2 VCAL credits .

This program will satisfy learning outcomes for the Industry Specific Skills and Work Related Skills strands of VCAL.
