

# The Mildura Regional Trade Training Centre – Deakin

The Mildura Regional Trade Training Centre has been established to help increase the proportion of students achieving Year 12 or its equivalent. The Program aims to address the national skills shortages in traditional trades and emerging industries by improving facilities at school and enhancing pathways to further education and training.

Mildura Senior College is the Lead School for eleven schools in the region who formed a consortium to make an application to the Commonwealth Government for Trade Training Centres in Schools funding.
