

# ENROLMENT AT MILDURA SENIOR COLLEGE

## FOR STUDENTS FROM PARTNERSHIP COLLEGES

Mildura Senior College has five partnership schools, Chaffey, Irymple, Merbein, Henderson and Trinity Colleges. Students from these schools will have their enrolment co-ordinated by their Year 10 schools.

### COUNSELLING AND SUBJECT SELECTION

This process begins in the 7-10 colleges from Monday August 7<sup>th</sup> 2017.  
Preliminary choices are due at Mildura Senior College by Friday 1<sup>st</sup> September 2017.  
Mildura Senior College staff will assist in course counselling.

## FOR STUDENTS FROM NON-PARTNERSHIP COLLEGES

Students from non-partnership schools are required to follow the process below.

### How to enrol:

Call the college on 03 50 212 911 to make an appointment for an enrolment interview. You will then need to collect an enrolment application pack from the general office. Please complete this before your interview.

### What to Bring to your interview:

- Most recent reports from previous school showing academic achievement, behaviour and attendance records,
- Any certificates (e.g. from TAFE) that the student has completed,
- Formal identification such as Birth Certificate or Learners Permit etc.
- Non Australian Residents must bring their VISA and Passport.
- USI code number

NOTE: Enrolment requests will not be processed until such documentation is provided. The college may also request information from your previous school.

### When to enrol:

The College accepts the majority of its enrolments from August to November for the following year.

Requests for mid-year enrolment will take place in early June.

## FOR ALL STUDENTS

- The College makes every effort to ensure each student receives the subjects they request. However, factors such as timetable blocks, class sizes and teacher and room availability can restrict subject availability
- The enrolment of some students may only occur if a Student Agreement is negotiated and signed
- It is preferred that students do not enrol after week three of a semester. However, they could do so to prepare for the following semester
- Students applying to select a Unit 3 and 4 (Year 12) subject in Year 11 will complete and submit the 'Expression of Interest for Accelerated Studies' on page 114 of the *Course Selection Guide*

## YEAR 10 STUDENTS - EXTENSION STUDY

Mildura Senior College offers the opportunity for capable Year 10 students to undertake a Year 11 subject of interest as a Year 10 student.

Students must have an outstanding work ethic, and be currently excelling in their Year 9 subjects. The subject chosen should be an extension to what the student is concurrently undertaking in Year 10 (where possible).

Students must have been recommended and approved by their home school as this arrangement can be quite disruptive to their Year 10 program. Students need to complete the expression of interest form, which will be available from the current partnership schools in August. All applications must be made through the current partnership school. Applications close on Friday September 1<sup>st</sup> 2017. Students are not required to attend the orientation program and will be notified in December by their home school if their application is successful.
