

LANGUAGES (VSL) AND VCE PLUS

Mildura Senior College Enhancement and Extension Studies 2018

Mildura Senior College offers academically able students in Year 11 and 12, the opportunity to enhance their learning and studies through the following partnerships:

Victorian School of Languages:

Students have the opportunity to study an additional language through the VSL. Course delivery is by “correspondence” and students are linked to a VSL tutor. In most cases, studying an additional language attracts a bonus for the student’s ATAR score. Please note that enrolling in VSL may involve the additional expense of travel to Melbourne.

Students undertaking a VCE level through VSL can have this subject built into their timetable. Students participating in a Year 7 – 10 level of VSL will undertake this program outside their timetabled lessons.

VCE PLUS:

La Trobe University’s VCE Plus program is an opportunity for high achieving VCE students to complete a first year University subjects while studying Year 12. VCE Plus subjects count as a Unit 3 and 4 sequences in VCE and contribute to ATAR through a 10% increment. As a VCE Plus student, you’ll be able to experience life at University, access La Trobe’s services and resources, receive an early offer, save on University fees and add value to your resume.

At La Trobe University’s Mildura Campus VCE Plus is offered in the following subjects:

- Finance – Accounting and Finance for Business (Semester 1) and Fundamentals of Finance (Semester 2)
- Business – Business Foundations (Semester 1) and Foundations of Management (Semester 2)
- Human Biosciences – Introduction to Human Biosciences A (Semester 1) and Introduction to Human Biosciences B (Semester 2)
- Sociology – Introduction to Sociology (Semester 1) and From Prisons to Detention Centres: Interrogating Containment (Semester 2)

To apply, students need to fill out the application form, the School Accelerated Studies Form and the Parent/Guardian endorsement form. Semester Two Reports are required to complete enrolment.

You can access the applications forms and read more about VCE Plus by visiting
