

PRINCIPALS' REPORT

The New Semester

It is hard to believe another Semester is over and we are now embarking on the second half of the year. All students have now commenced their Semester 2 studies. I urge those who have been working well to continue the good habits you have established. Attending all classes, getting to classes on time and prepared and completing all set work are the basics that set you up for a successful Semester of learning. For those students who perhaps did not achieve the results they wanted in the first half of the year, please take the opportunity to turn things around as early as possible. The starting point is to use feedback you have received and seek out the support of your classroom teachers as early in the Semester as possible.

Staffing

Tracy Marr will be on Family Leave from next Term. Ineke Rogers will be the Acting Assistant Principal during Tracy's leave. We wish Tracy all the best and look forward to meeting her new baby. Nicole Hynes will take over Ineke's position as Leading Teacher and support her sub-school students through to the end of the year.

The College Facilities and Maintenance Manager, Peter Detarczynski has made the decision to retire at the end of the school holidays. Peter has been at the College for over 15 years. We wish him all the best in his retirement and thank him for his service to the College.

Marg Wilson will be honoured this month by DET for 45 years of Service to the Education Department. Marg has contributed significantly to our College and the lives of many young people during her 45 years to date. We congratulate Marg on this very special milestone!

Open Day Sunday 5th August

We will again be holding our annual Open Day. We predict that in excess of 500 people will visit our College and we have always had a very positive response to our range of programs and expertise in delivering

senior school education. We are confident that this day kicks off a successful transition program for prospective students in 2019. The format of the day is that from 11am - 2pm prospective students and their families can undertake a guided (or unguided) tour of the College and visit all of the subject areas of interest to them. During this time we also have displays, performances and a free BBQ running and many staff available to answer general questions about our College. We encourage you to invite any families you know to come along and visit the College or if you have younger siblings of our current students, to visit and see what the College has to offer and start to discuss how the College can support students individual interests and Pathways.

Belinda Hudak
Principal

July 16th	Term 3 Commences
July 18th	Past MSC Student Return Night 7.30pm-8.30pm
July 24th	TIS Parent Info Night
Aug 3rd	Student free day Year 10 Students Open Day Discovery Day
Aug 5th	Open Day

Assistant Principals' Report

Semester Reports

Semester Reports for all students are included in this mail out. The reports show the level of achievement/understanding in each subject, as well as mentioning strategies for improvement.

Parents are reminded that we have now finished the second week of the new Semester. It is worth noting that once we return after the holidays, Year 12 students have less than 13 weeks of classes remaining for the academic year.

Parent/Student/Teacher Conference # 4

This will be held on Monday 20th August, from 5.00pm to 7.00pm. It will be the final formal PST for the year. Parents are welcome to contact Teachers, Pathways Teachers and Sub School Leaders after this date if they have concerns about student progress. We will have a small number of students who must pass all their subjects in Semester 2 to complete their Certificate this year, or to be eligible to complete their Certificate next year. It is important that communication between home and school continues after August 20th. Bookings will open approximately one week prior to this date.

Student Learning Profile (SLP) # 5

This will be completed early in Term 3 and will be available on-line on Thursday 2nd August. It will show student progress in the first 4 to 5 weeks of the new Unit.

MSC Website

Our website contains a lot of information for parents, especially the Key Dates section. There is also a link for our 2018 Newsletters. Please check this on a regular basis.

Parent Portal

We would like to encourage all parents to access the parent portal on Compass on a regular basis. This is an important source of communication for issues relating directly to students, such as attendance, reports and PST Bookings. If you are in need of a new password or unfamiliar with log in details in general please phone the college on 5021 2911 and press 5 for assistance.

Subject Changes

Change of subject night was held on 30th May. New booklists were provided to these students. Many students changed subjects while some made a new course change. Please ensure text requirements have been organised to assist them to have a smooth start to the subject. Please enquire at the Front Office for further details.

Mid-year Exams

Our students completed Year 11 Exams and/or the GAT (General Achievement Test) between the 8th and 14th of June. Results for Year 11 exams will be on the Semester Reports. The GAT results are outlined to students in their end of year results from the VCAA.

Tertiary Trips (Year 11 and 12)

The Year 11 and 12 Tertiary Trips will be occurring from Wednesday 1st August - Friday 3rd August and will be to both Melbourne and Adelaide. Bookings are now open for these trips and enquiries are to be directed to the Front Office.

Becoming More Employable

All of the subjects offered at Year 11 and 12 levels aim to build both skills and knowledge in specific areas. However, to be 'employable' in today's job market, employers are also looking for evidence of personal skills like citizenship and generic employability skills. I encourage you to assist students to use the holidays and other time wisely, to not only study but also volunteer somewhere to prove high levels of key competencies like communication, leadership and organisation skills as well as personal traits like empathy, reliability and initiative. Ideas could include assisting a local sporting club whether it be a canteen or coaching and playing music for community clubs. This will also provide a great opportunity to obtain greater networks and people who are able to be a referee for you when trying to gain full time employment or some college applications.

Student Services Centre

Students are reminded that the Student Services Centre is where they will find the Sub School Leaders and Attendance Officer. If students have questions about their program or completing their Certificate, attendance queries or just need general help they should go to the Student Services Centre for advice. To speak with a student's Sub School Leader please call the College and follow the prompts or email them on:

Jim Blue	bluej@milsen.vic.edu.au
Kate Bouchier	bouchierk@milsen.vic.edu.au
Rob Sinclair	sinclairr@milsen.vic.edu.au
Kim Bathe	bathek@milsen.vic.edu.au
Joanna Panagiotaros	panagiotarisj@milsen.vic.edu.au
Graeme Smyth	smytheg@milsen.vic.edu.au
Marg Wilson	wilsonm@milsen.vic.edu.au
Nicole Hynes	hynesn@milsen.vic.edu.au

Special Provision

Students with medical conditions, disabilities and exceptional personal circumstances are reminded that they can apply for Special Provision and/or Special Exam Arrangements. Students must see Marg Wilson Leading Teacher - Student Wellbeing for further information as soon as possible. All students who are already on the Special Provision list will have received letters.

Students missing SAC's

If a student is ill on the day of a scheduled SAC, the student can still gain a score for the SAC if a Medical Certificate is provided for the day. For further information please contact your students sub school leader.

Student Drivers

If students are driving independently to school they must register their car with the front office. There is a short form to fill out that indicates who the car belongs to in case of an emergency or accident.

Students Drivers are reminded that they are not permitted to transport other students during the school day. This includes lunch and recess time.

Holidays

A reminder that 'holidays' are a great time to recharge. However, it is also a great opportunity for the following:

- Students enrolled in a Year 12 subject to go over Unit 3 course work and previous assessments in early preparation for the end of year exams. Every minute spent now is a valuable head start compared to leaving all revision to Terms 3 and 4.
- Students completing a VCAL Certificate should be organising their Work Placement arrangements
- Students exclusively involved in Year 11 VCE should take the opportunity to develop a manageable revision schedule.
- Year 11 students should think about completing volunteer work to develop employability skills and to enable them to participate in the Latrobe Aspire program.

Student Achievement

If you are achieving fantastic things in your sporting or community involvement, please make sure you let us know about it. We would love to include details of the event and your achievement in our Newsletter and celebrate your success. Please contact Kim Bathe- Leading Teacher Success Coordinator with information regarding your achievement.

Year 12 Formal

The Year 12 Formal was held on Friday 15th June at Club Di Vinci. It was well attended by Year 12 students from all over Sunraysia. A big thank you to all of the staff who assisted on the night particularly Colin Cole.

Tracy Marr Family Leave

I would like to take this opportunity to wish all of our students and families all the best for the remainder of 2018, as I will be taking family leave for the remainder of the year. Thank you to all of our Parents, your support of our College makes it the best place it can possibly be for our students every day. Thank you to all staff for your hard work and commitment to making Mildura Senior College an outstanding place for students to achieve success. Thank you also to Ineke Rogers who will be Acting Assistant Principal in my absence. I look forward to working with you all again in 2019.

Tracy Marr and Andrew Banks

Assistant Principals

Student Success

Being a student here at Mildura Senior College for some students is only part of their story. We have some amazing talented students who compete and participate in many activities outside of school. We at Mildura Senior College are proud to share their stories and be a part of their journey.

Student Profile – Augustas McCallum

Gus is completing Year 12 here at MSC. Gus is also heavily involved with Mildura Martial Arts. He competes regularly throughout the State, Interstate and Internationally. He showed an interest at the age of 8 years and has since become a competitor and champion through the support of Mildura Martial Arts.

Gus is a JiuJitsu Super Heavy Weight Champion who won the World Title in 2016 in California USA. He is also a three time Australian Champion in Under 15, Under 16 and Under 17's.

He is travelling to California in November 2018 to compete for the World Title in Super Heavy Weight Division. Gus also coaches and teaches juniors aged from 5 to 16 years of age.

Kim Bathe

Sub School Leader

Hayley Kellett

Congratulations to former student Hayley Kellett who won the GOLD for Retail Baking – Bread at the National World Skills Australia Competition in Sydney.

Normally this would have meant that Hayley would compete at the International World Skills competition, but as she will be older than 22 in 2019 she is not eligible. A fantastic result for another talented student who completed Year 12 while undertaking an SBAT.

SBAT's, Apprenticeships and Traineeships are a great opportunity to kick start your career. If you are interested in getting involved in these opportunities to participate in the workforce while studying please contact the Careers Team at the College.

Past MSC Student Visits Information Evening

On Wednesday 18th July from 7.30pm to 8.30pm in the Canteen is an opportunity for current students and their parents to talk to students who were at MSC last year and have successfully moved into Tertiary courses.

This is a chance to learn about things such as how much it costs to live at halls of residence, what the courses are like and any advice they would like to share with current students. We have invited students who are currently studying at places like Melbourne University, Adelaide University, La Trobe University (Melbourne and Mildura) Bendigo, Ballarat, RMIT, Monash and Flinders University. The students will cover courses such as Nursing, Engineering, Teaching, Science, Arts, Drama and Visual Arts.

Families in the past have found this evening to be very helpful, so please consider attending.

2018 Eisteddfod Results for Instrumental Music Students

Mildura Senior College Instrumental Vocal and Drum students recently took part in the 40th Mildura Eisteddfod from Saturday 2nd - Tuesday 4th June at the Mildura Arts Centre. These students represented the school with distinction and professionalism.

The results are as follows:

MILDURA SENIOR COLLEGE CHOIR

First - Secondary School Choir Section

VOCALISTS

Chloe Niutta

First - 17 Years and Over Country
First - Open Songwriters
Second - 17 Years and Over Up-Tempo
Honourable Mention - 17 Years and Over Jazz/Blues

Chloe was also the recipient of the \$1000 Modern Vocal Scholarship awarded by Mildura Health Fund

Meg Richardson

Honourable Mention - 17 Years and Over Jazz/Blues

Paige Lang

Honourable Mention - Open Musical Duet
Honourable Mention - 16 Years and Under Jazz/Blues
Honourable Mention - 15/16 Years Musical Theatre
Honourable Mention - 15/16 Years Ballad

Kane Midgley

Second - 17 Years and Over Musical Theatre
Honourable Mention - Open Musical Duet

Nadia Siniremera

Second - Open Vocal Modern Duet
Honourable Mention - 15/16 Years Up-Tempo

Jodine Closter

Second - Open Vocal Modern Duet

Well done also to Karsha Herold and Ethan Ilsley who also took part in the Modern Vocal/Drum sections.

2018 Eisteddfod Participants

Sports Report

Interschool Cross Country

After our amazing 5 students did so well at Cross Country locally on 16th May, they were eligible to compete in St Arnaud on Wednesday 23rd May representing Mildura Senior College at the Interschool Cross Country. Amelia Grigson and Jade Johnstone competed in the 17-21 females and Keeley Butler-Kerridge, Regan Kerlake and Chase Carter competed in the 17-21 males. Amelia and Keeley won their divisions and all competitors qualified to run in Northern Zone Cross Country held at St. Arnaud June 5th.

Martine Hendy
Coach

Girls Softball

The girls were not victorious but played so well that their talents and athleticism caught the attention of the CEO of the Victorian Softball Association. The girls worked marvellously as a team with encouragement all day. Alex Pallot's pitching was fabulous and Tara Martin worked well with Alex to protect home base. Kendall McLean caught a few high balls and the rest of the team (Nat Whittall-Connelly, Karsha Herold, Ashlee Battin, Amelia Grigson, Ethicah Evans, Vhilla Evans, Grace Belsham, Emma Martin) worked beautifully together. The girls won their first game, lost their second game by one run and lost their third game.

Well done girls and thanks for an exciting fun filled day of teamwork.

Sally Scholes
Coach

Boys Baseball

On Tuesday 29th May, MSC students participated in the State School Victoria Senior Baseball Finals. Although they were not victorious in the end, having lost the final by only 1 run, they should be congratulated on their efforts, winning all three of their Pool Games 15-0.

The final was a closely fought affair with several lead changes, ultimately going down 3-2 and considering we only had 8 players when a team usually fields 9 the boys did a terrific job.

The boys that attended the finals were

Hayden Carroll	Sam Zaccone
Liam Dinnage	Riley Clifford
Harley Holmes	Harry Grambau
Ethen Ilsley	Joel Trevaskis

At all times the entire team conducted themselves with sportsmanship, teamwork and enthusiasm. They were always gracious in victory and took the final defeat at the end of the day in their stride. One coach from an opposing team took the time to thank and congratulate our boys and he even said that they displayed the highest level of sportsmanship he had seen during the years he had been involved in this competition. Well done boys.

Kel Morrison
Coach

Boys Volleyball

Our Boys Volleyball Team took on Bendigo Senior in the regional finals on 10th May, unfortunately they were defeated 2:1(21-19,17-20,1-2).

By looking at the scores you would think that is was an incomplete match that is because they play on a time limit of 40 minutes. The boys played well but were beaten by time as opposed to a better team. Great effort.

Steve Purcell
Coach

Around the College

Winery Tour

On Wednesday 30th May, 70 eager Year 12 Business Management students ventured off to the nearby Australian Vintage Winery Ltd site at Buronga and Merbein.

Students were given guided tours of each site. The excursion related to Operations Management within a large manufacturing business. Students observed first-hand how the Winery uses the latest technology, ensures the quality of the wine produced is of a high quality and how they incorporate socially responsible practices into their business. In particular, the use of solar to power 25% of the site and a water treatment plant to recycle water. Thanks to the generous time given by winery staff for the third year in a row.

Lachlan Lean
Business Management

Annual Market Day School Event Year 11 VCE Business Management Classes 2018

The College's annual 'Market Day' was held during Term 2 and was a great opportunity for Year 11 VCE Business Management students at Mildura Senior College to put into practice their business theory learnt in the classroom.

The school event allowed students to develop their business skills undertaking the school based short-term practical activity from the planning of a small business venture following through to the operational phase onsite at the College.

Students formed and worked in 'small business partnership teams' in the classroom environment over a three week period to come up with a business concept. The planning phase included students working together to innovate, share ideas, conduct market research, write a business plan, creating marketing signage, price and purchase of supplies – and then bring it all together on the day to operate 'live' their small business venture to a captivated school customer base.

In all, 70 students worked in their 'small business partnership teams' and brought together in a market place atmosphere of seventeen Market Day stalls at Senior College. Student's businesses competed in this marketplace against each other to win customers over to make a profit with all proceeds going to charity. From doing so, students were corporate socially responsible and worked together respectfully, provided excellent customer service and minimised wastage.

Student's reflections have been varied with some students feeling motivated and 'would like to try it all again to perfect their business ideas and try to make more profit' where others said 'it was too much effort and stressful to get everything done like a small business owner in getting a business to an operational stage and meeting customer's needs'. Others acknowledged 'it is hard to coordinate people you work with' but gave them 'the hands on practical experience' they muchly appreciated.

The school event also gave an opportunity for Mildura Senior College music students to perform in front of a live school audience thus show casing their musical and singing talents. Thank you to Rick Williams and his music students for providing the entertainment.

MSC VCE Business Teachers Grant Van Looy, Phillip Donald and Sharyn Byrne would like to thank and acknowledge the great work of students completed during this school-based activity.

Global Politics – Model United Nations Conference (MUNC)

On Wednesday 20th June, 22 Year 12 Global Politics students participated in a Model United Nations Conference run by La Trobe University in The Grand Hotel ballroom.

The MSC students combined with 40 other students from the district and were broken up into teams who had to represent a selected country of the world. The students were required to do some pre-day research on their country to find out how the Government of that State would choose to address the global crisis of Climate Change. Mediated by Professor Ian Howie – a veteran UN employee of over 30 years and current Adjunct Professor of Political Science at RMIT, students had to give their country's stance on Climate Change before they debated a proposed resolution. The students then had to justify their stance to the other states and were able to question each other, UN style, before finally, with amendments made, the resolution was voted on. Students had a great day role-playing UN delegates and getting a first-hand experience of the machinations of the UN. MSC students led the way during the process showing an acute understanding of the crisis of Climate Change and a deep understanding of both, their selected county's stance and the processes inherent in the United Nations. Praise here should be given to their Year 11 teacher, Trish Pongraz, for instilling in them a comprehensive education about the United Nations and embuing an interest in the global political arena. This experience will prove advantageous for the Global Politics students as two of their Areas of Study for this year are Global Actors – such as the UN, and Climate Change. The MSC students gained high praise from both the organisers and onlookers who were a little surprised at their knowledge of current affairs, geography, geopolitical allegiances and their ability to articulate their ideas in a persuasive and coherent fashion. I was certainly proud to be the teacher who has the privilage of working with them.

Andrew Banks.

Global Politics Teacher

ACT Now/Try A Trade

The MRTTC has ran two fantastic events in June, both ran simultaneously at the Deakin Trade Training Centre (DTTC) at Mildura Senior College, and St Joseph's College Riverside Trade Training Centre (RTTC) showcasing the VET training opportunities offered across the centres.

Trades@Deakin gave local Year 9 and 10 students the opportunity to attend workshops in Automotive, Building & Construction, Engineering and Hospitality VET subjects. The program is designed to give students a hands on experience which will assist with their subject selection decisions later this year.

Over 700 Sunraysia students attended ACT (Apprenticeships, Careers and Trades) NOW. The event was held at both Riverside and Deakin Trade Training Centres and students attended both sites on the day. ACT NOW showcased programs offered through the TTCs and the career pathways these VET courses lead to at TAFE, University, and in employment with local industry. A big THANK YOU to the support provided by SuniTAFE, SMGT, Devilees, CPM Builders, Robinson Plumbing, MAS National, BusLink, Markwells Auto Group, Peter Williams Painter, Ambulance Victoria, La Trobe and NMLLEN, Barry Sell Coffee and Bunnings Mildura.

Linda Snoxall
VET Coordinator

This is a wonderful opportunity for students to complete work at school, either individually or with others. **Not to mention the snacks- they are something else!!!**

It's been fantastic to have, on average, 55 students attend on Tuesday and Wednesday nights.

So, come along and get a lot of your work done **BEFORE you go home**

Looking forward to seeing and supporting you next Term, each Tuesday and Wednesday after school until 6pm, in the College library. - *Nina Pascoe (Coordinator) and Library staff.*

ADVANCE NOTICE: As in past years, to further support students as they prepare for their end of year exams, Homework Club will run each day, during the day, in the 2nd week of the September/October holidays - Monday Oct 1st to Friday Oct 5th 8:45am - 12:45pm

An opportunity for every child in our region to have a nutritious start to the day.

OUR BREAKFAST PROGRAM WILL START IN TERM 3...

Students who have eaten breakfast can concentrate better and have a longer attention span, helping them to learn and study better. They can also perform better physically after eating breakfast as there is more energy available to their muscles. Breakfast can improve behaviour and mood and students will have better concentration and are not tired or hungry.

An opportunity for every child in our region to have a nutritious start to the day!

Where: Mildura Senior College

When: Monday 8.15am—8.45am
Wednesday 8.15am—8.45am
Friday 8.15am—8.45am

Cost: FREE

Thank you!

On behalf of the Mildura Region School Breakfast Partnership we would like to acknowledge Woolworths Langtree Avenue Store for their contribution.

Breakfast Partnership facts:

- The Mildura Region School Breakfast Partnership currently supports 18 local Primary and Secondary schools to provide over 1,200 breakfasts each week.
- The Mildura Region School Breakfast Partnership is the only program available to support Secondary schools in our region.
- The Breakfast Partnership provides access to fresh fruit, which schools identified as an essential component to promote healthy eating.
- The Partnership schools perceived their breakfast programs contributed positively to student: punctuality, attendance, behaviour, academic outcomes, concentration, social skills and engagement with class activities.

Australian Business Week

Monday 13th August to Friday 17th August 2018

Conducted by Mildura Senior College

14th June 2018

Invitation to Community Members to mentor and support Mildura Senior College students for upcoming school program 'Australian Business Week'

Australian Business Week (ABW) is a program that brings students together into a simulated business environment to develop their ability to work cooperatively in a team environment while undertaking group activities based on real life business scenarios. The students are formed into teams and compete based upon various business performance indicators.

The ABW activities promote leadership, team building, and business acumen; it prepares the students for the experiences, demands and deadlines they will face as they enter the workforce.

During the week of Monday 13th August to Friday 17th August 2018, the Business Faculty of Mildura Senior College will be again conducting the Australian Business Week (ABW) Schools Program.

ABW will take place over one week at the Mildura Senior College Gymnasium and will involve some 70 Year 11 students studying VCE Business Management.

ABW provides students the opportunity to gain valuable leadership and teamwork skills as well as entrepreneurial and specific business skills. Mildura Senior College has both participated and coordinated very successful ABW Schools Programs over the past 8 years. The program in the past has involved a number of local business personalities, Government Authorities and Departments' personnel and community groups. All involved in the week considered it to be an educational and enjoyable experience working with students.

In order for the program to continue and build upon its success, we require support from the business community. To continue to conduct ABW with the most realistic business experience for the students, we are seeking your assistance in any of the following areas:

Business Mentor:

This role requires the person to assist up to twelve students, to form a company and make business decisions. The Mentor will need to be at the Grand for the first half day of activities and if possible during the company decision meeting times and if they choose, the final day presentations. Your commitment to

this role would ideally mean you should be available for around five hours during the week of Monday 13th August to Friday 17th August 2018. This role can be shared between different mentors to reduce the amount of time away from your workplace. An information booklet and tip sheet will be posted out two weeks before ABW to assist mentors in understanding the simulation and other activities that the students will be undertaking.

Guest Speaker:

This requires the person to deliver a speech to the students on their business industry area of expertise for approximately 20 – 30 minutes. Areas of expertise we seek: television advertisements, marketing, public speaking, financial and accountancy.

Judge or Presenter:

Requires the person to assess one of the components of the overall program (listed below). It is preferred that each section has two or three Judges. If possible the Judges can also present the prizes to each section winning team at the final Friday afternoon presentation and awards ceremony.

The sections to be judged include:

Team Building and Commitment

Marketing a Product – Trade Display and Video Advertisement

Annual Report

Oral Presentation – Annual General Meeting

Sponsorship:

Contribution of a service or speaker for the program

Gifts or Gift Vouchers as Prizes or thank you gift for speakers

Gifts or Gift Vouchers for award prizes to students

If you would like to find out more about ABW or discuss how you can assist, please contact Sharyn Byrne on BH 5021 2911 during school hours or alternatively AH 0448-058-798, via email Byrnes@milsen.vic.edu.au.

We look forward to hearing from you and thank you in anticipation for your support with our program.

Yours sincerely

Sharyn Byrne

Principal's Lunch Awards

Every year we celebrate yr 12 students achievement at the end of Unit 3. It is in recognition of significant academic performance and student dedication and commitment to their chosen studies.

The Principal's Lunch is a celebration of students in subjects across the school who are determined by their combined SAC results across Semester One. There may be a number of students in subject areas; this would mean that they have all achieved the same pleasing score thus far.

These students were invited to the Principal's lunch which was held on Wednesday 27th June.
